## BUYER'S CHOICE HENRIK TIDEFJÄRD BERLINAGENTEN

### Bebel suite, Opera suite & Humboldt suite

#### Hotel de Rome

**Client fit:** Perfect for historians, honey moon couples, bankers or dignified travellers.

**Why:** The perfect twist between a contemporary castle and an ultra historical space. These suites used to be the offices for the bank directors of Dresdner Bank until 1945. I was astonished by the real bomb cracks from WW II in the wall interior and stunned by the view overlooking the historical square. A first class superior experience.

**Price:** €1500 (£1022) per night
